PODIUM

MAPLE RIDGE

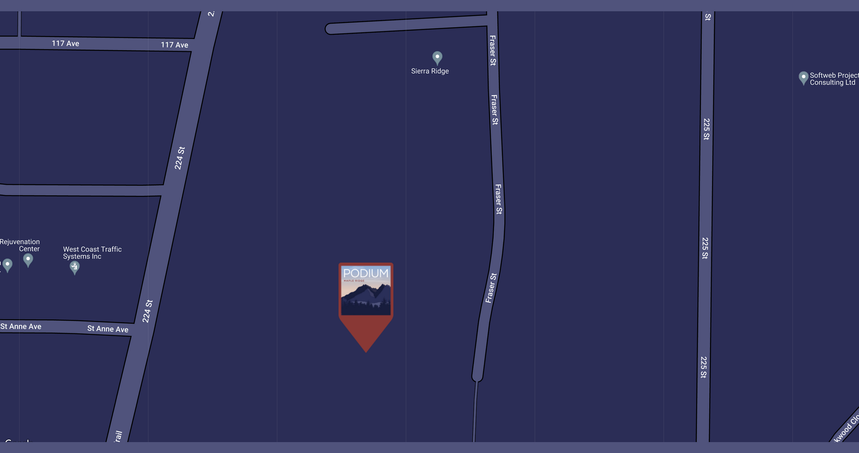
CONTEMPORARY CONDOS STARTING AT $419,900

WEST COAST APPEAL

Podium is poised to be one of Maple Ridge's most connected new developments. A contemporary community of 125 homes encompassed by lush greenery and mountain views. Podium's form and character epitomize a West-Coast modernist appeal, integrating strong lines and height changes from front to back with robust pillars that will make Podium an architectural icon in Maple Ridge for years to come.

LAVISH LIVING

Podium's interiors boast an ostentatious combination of simplicity paired with a voguish glamour. The allure begins in your new kitchen, fitted with quartz counters, stainless steel appliances, chrome hardware, and an incredible tile backsplash. The sizzle continues into your spacious and open concept living room, generous size bedroom with built-in closet shelving, and even into your bathroom and ensuite, appointed to rival the most extravagant hotels and spas.



A GROWING COMMUNITY

Near the Port Haney bend of the scenic Fraser River, Podium is embedding its foundation in the rapidly flourishing city of Maple Ridge. This riverside city is one of the lower mainland's fastest-growing communities with grand plans for the future. With a focus on its historic roots, Maple Ridge's growth plan includes community expansion while still protecting environmental integrity – The outcome, a city with the perfect balance of everyday essentials and beautiful outdoors all in one. The downtown core hosts boutique shopping, a diverse culinary scene and exciting nightlife; while nature is close by with parks, riverfront trails, and lakes only minutes away. This is your chance to be a part of one of the lower mainland's most rapidly growing communities at Podium Maple Ridge.
