8X ON THE PARK

YALETOWN'S LANDMARK BUILDING.

SCROLL DOWN

ELEVATING LIFE IN YALETOWN.

8X ON THE PARK soars above the city with iconic architecture, designed with purpose. Set back from the street and elegantly sculpted to maximize views and provide a generous sense of space, this collection of homes offers an unparalleled level of tranquility.

DESIGNED WITH PURPOSE.

The tower's form subtly shifts as it rises in eight-storey bands, inspired by the scale of neighbouring heritage buildings, while the Richards Street side is defined by innovative solar shading in a distinctive 'X' pattern.

RAISE YOUR EXPECTATIONS.

8X ON THE PARK is a landmark addition to Yaletown with advanced sustainable design features, including geothermal heating and air conditioning, an efficient climate-control system and distinctive solar shades. A private-entrance lobby with concierge service welcomes you home, while a separate bike entry and elevator—the first of its kind in the city— whisks you to a secure bike storage level. A pet-washing station provides a place to clean your furry friend. We've thought of everything.

GET COMFORTABLE.

The spacious homes at 8X are designed for daily luxury. Expansive windows bring sun and starlight inside, while private balconies extend your living space into the open air. Each residence includes state-of-the-art integrated electronics, offering simple digital control over the interior environment, from Nest Learning Thermostats and Nuheat radiant in-floor heating to dimmable lights and motion-sensor under-cabinet LED lighting.

KITCHENS.

With top-of-the-line Miele appliances, a gas range, thick marble countertops and backsplashes, and sleek Hansgrohe fixtures, the kitchens at 8X are a perfect pairing of style and functionality.

ENTERTAIN ON THE ROOF.

While most residential towers reserve the top floor for private suites, 8X opens it up to all owners. The penthouse-level SkyLounge is a theatre, entertainment centre and social space all rolled into one, connected to the SkyFitness Centre and opening onto a spacious rooftop patio. With lounge chairs, a water feature, barbecues and epic views, this is a space to celebrate.
