# HOMES

Modern design and livability characterize Perron's interiors. A curtain of windows brings an abundance of daylight indoors against wide plank engineered hardwood floors. Layouts offer open-concepts and versatility with each room graduating seamlessly to the next.

GARDEN HOME LIVING ROOM

## GARDEN HOMES

Opening directly onto private patios, these Garden Homes make it easy to lounge outside in the evening or enjoy Winona Park across the street. Concrete structural quality ensures quiet soundproofing throughout.

TOWNHOME LIVING ROOM

## TOWNHOMES

Breakfast lunch and dinner and all the moments in between pair beautifully with Perron's remarkably comfortable Townhomes. Private entrances face an inner landscaped mews. Deluxe private rooftop patios crown the space and offer stunning views of Winona park, Vancouver and beyond.

## KITCHENS

Light-filled kitchens are framed by extra thick Ceasarstone counters, open shelving and a modern breakfast bar. Above, elegant reverse shaker style cabinetry in white complements lower accent cabinetry in Dark or Light.

## BATHROOMS

Spa-Inspired master bathrooms feature double vanities and glass-encased showers in Townhomes or deep soaker bathtubs in Garden Homes. Sleek large format square porcelain tiles frame the space from floor to ceiling.
