VIEW LIFE DIFFERENTLY FROM UP HERE

Homes at Pier West provide incredible panoramic views of the Lower Mainland, whatever the direction. From the river to the ocean, the surrounding skylines and spectacular North Shore Mountains. At any height, every direction offers something special to take in.

KITCHENS BY INFORM INTERIORS

Innovative and stylish, kitchens are carefully planned for functionality and beauty, with space-saving wall ovens and integrated speed ovens*, substantial solid-slab waterfall countertops, seamless backsplashes, and spacious cabinetry with soft-close doors and drawers. Custom storage options tuck what you don't want to see away. And a premium Bosch appliance package offers efficiency and elegance in equal measure.

*Specific homes – see floorplans for details

SPA INSPIRED BATHROOMS

Bathrooms are contemporary and well-composed. Oversized porcelain tile walls add drama and elegance. Vanities by Inform with expansive storage and spacious counters ensure soothing spaces where everything has a home.

OUTDOOR LIVING SPACES INSPIRE DAY OR NIGHT

Spacious balconies extend the living space of every home into the open air – perfect for enjoying your morning coffee or evening refreshment. Balcony footprints have been maximized, increasing in size as the building rises, to create functional extensions of indoor living. Combined with innovative window design details, the result is an aesthetically pleasing and ever-changing view of the building's exterior.
