The Hub Modern Exterior

The Hub is a contemporary mid-rise, designed as a showpiece for the UniverCity community. Expansive windows, strong concrete accents and bold colouring define the face of this modern construct. At roof level, lush gardens are a fitting complement to the natural landscape of Burnaby Mountain. [READ MORE](#)

The Hub
Modern Exterior

Underlying the modern design is progressive urban planning that creates safe and welcoming streetscapes. Your building comes alive with townhomes facing the pleasant Cornerstone Mews and a vibrant neighbourhood grocery store along the bustling High Street. On all fronts, The Hub stands ready to invite you in. [BACK](#)

The Hub
Modern Interiors

The Hub's efficient interiors exude an urban sensibility. Layouts are carefully planned to take advantage of every square foot, combining flexible open concept living areas with practical room sizes. With a focus on studio and one bedroom flats, the development offers numerous options for buyers seeking an affordable housing option.

The Hub
Modern Interiors

Stepping into these modern homes, you are greeted with striking finishings and a stylish colour palette. Hardwood floors are an unexpected luxury, while kitchens impress with stainless steel appliances and quartz countertops. You can choose from two inspired interior design schemes, one cool and edgy the other light and warm. [BACK](#)

The Hub Responsible

The Hub is a sustainable housing option. Just as you are looking to reduce your environmental footprint, Liberty Homes is committed to green construction practices. To achieve these goals, Liberty is developing The Hub in accordance with the Canadian Green Building Council's LEED Silver standard, a stringent criterion for environmental design.

Through LEED The Hub is a smart, healthy, responsible home. Better windows and an innovative heating system save energy. Low-emission paint and superior ventilation improve air quality. Efficient plumbing fixtures reduce water use while your green roof regulates stormwater runoff. Through forward-thinking design, The Hub provides a higher standard of living.
