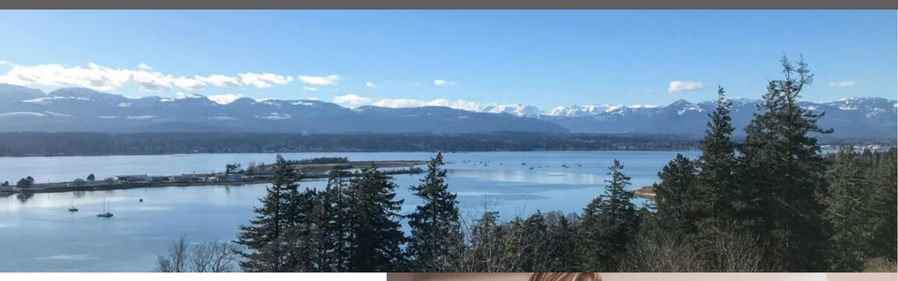
Live Play Work

Innovative Urban Living in Picturesque Comox Valley... Summer 2022 Occupancy

URBAN CORNER brand new, under construction townhomes within the Comox Valley... now for sale with Occupancies Summer 2022.

42 modern townhomes in an Urban style mixed-use community... offering a select 14 manageable & convenient, storefront commercial spaces, along with spacious 3 level homes with garage, expansive decks & most w/flex rooms.



Live in style. Choose your spacious open-concept contemporary home, delivered by Premier Builder Benco Ventures. Enjoy luxe quality fittings and fixtures with Urban Cool, or Urban Warm Color Schemes, along with neutral modern palettes.

Homes you and your family are able to grow into, for years to come with flexible and adaptable home options.

Quality built Benco Ventures' townhomes finished with sleek finishes and modern design features... including oversize windows, large patios and entertaining kitchen for today's lifestyle

These Urban designer new build townhomes brings a low maintenance lifestyle in mind. Enjoy more leisure time to **Play** in the Comox Valley. With its natural setting of ocean, beaches, rivers, mountains & parks, the Valley is a natural playground for the Active... along with a changing community bringing youthfulness, vibrancy and new amenities for all ages & lifestyles! With quick commuting by vehicle, or bike & walking to shopping embrace this Urban vibe between Comox & Courtenay.

With an increasing need for alternative **Work** solutions this multi-use community offers the luxury of the ultimate convenience – commercial use storefront space within a residential enclave of new townhomes. Its desirable Comox location & connection to Courtenay East ensures central & easy access to both downtowns & the commercial districts, including the Crown Isle development, Costco, CFB Comox, NIC College & Hospital. With only a select number of units available... inquire & custom design your space now
