WELCOME TO

BROCK HOUSE

Introducing Brock House, a new collection of 10 exclusive homes in the Kensington-Cedar Cottage neighbourhood of East Vancouver. Built by Azora Group, Brock House consists of 8 luxury duplexes and 2 single family homes. These 2 and 3 storey homes offer strong, classic architectural elements and contemporary materials. This will be an address you will be proud to call home.

HOMES

Strong & Classic Architecture

Brock House has a warm and engaging street-side presence, complementing it's beautiful natural surroundings. The craftsman inspired architecture by Robert Chester Architects is both timeless and sophisticated.

NEIGHBOURHOOD

Surrounded by Nature

At Brock House, you are surrounded by an open common space courtyard and the natural beauty of General Brock Park with a children's play area. With unparalleled access to everyday urban conveniences, Trout Lake Park and Community Centre are only a short distance away. Spend the afternoon sitting by the water, enjoying this peaceful oasis in the middle of the city.
