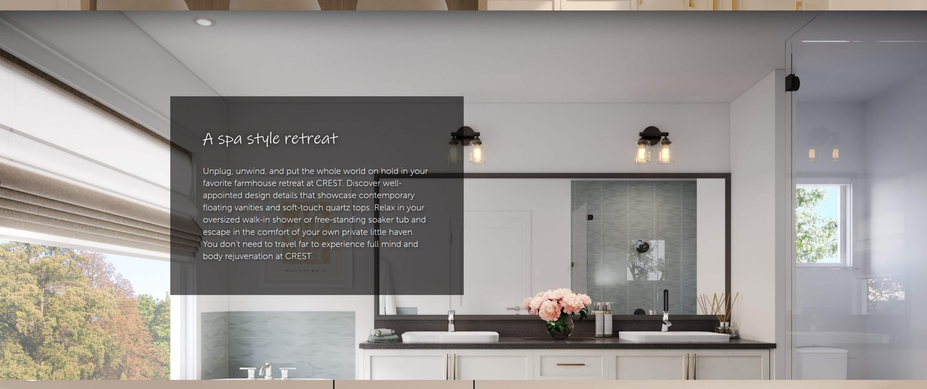
Spacious, vibrant, and modern farmhouse inspired, CREST At Kanaka Springs details the perfect blend of traditional country style architecture with minimal contemporary design, touching on more comforting, inviting and warm elements. Carefully crafted homes that deliver elevated living in Maple Ridge's coveted Kanaka Springs neighbourhood, and designed for growing families, CREST is a community-oriented development featuring homes that are pragmatic, thoughtfully curated, meticulously designed and built for people with modern lifestyles.

Kitchens to inspire your family chef

At CREST, kitchens blend true beauty with functionality. Timeless stainless-steel appliances complement expansive quartz-topped countertops, with large kitchen islands taking centre stage. Every detail is designed to impress yet maintain the modest farmhouse feel you have always wanted. You will be ready to play host to everything from homework to happy hour, enjoying the taste of the good life in the heart of your home.



A spa style retreat

Unplug, unwind, and put the whole world on hold in your favorite farmhouse retreat at CREST. Discover well-appointed design details that showcase contemporary floating vanities and soft-touch quartz tops. Relax in your oversized walk-in shower or free-standing soaker tub and escape in the comfort of your own private little haven. You don't need to travel far to experience full mind and body rejuvenation at CREST.
