Parkside Living in Metrotown

PERLA

There are two sides to the vibrant neighbourhood of Metrotown, and Perla has the best of both worlds. Take the elevator down and head West; within a few minutes you will be surrounded by the tall Douglas Fir and Cedar trees in Central Park – an 210-acre urban oasis with quiet ponds, beautiful gardens, tennis courts and outdoor swimming pools. If you head East, you will stroll through beautiful tree-lined streets that take you to a diverse restaurant scene. Steaming lattes and alluring pastries are steps away, followed by the province's biggest shopping complex and the convenient SkyTrain network.

Two bedroom apartments from $989,900
