
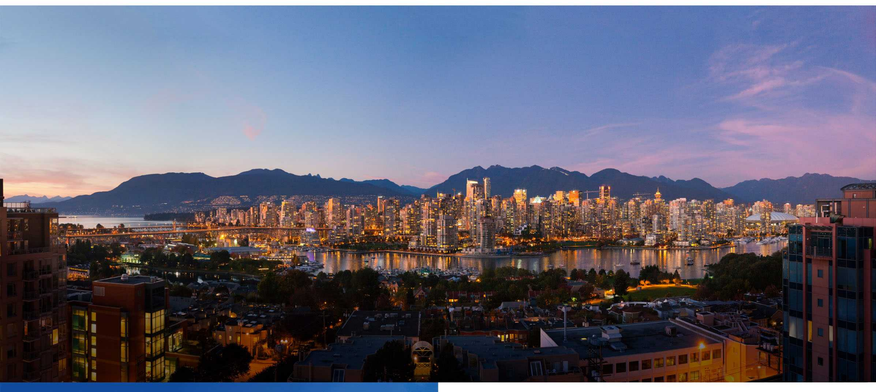
THE HIGH NOTE OF LUXURY

A distinctive 10-storey building presides over Broadway and Spruce in Vancouver's West Side. With spectacular views of a downtown cityscape, the boutique collection of 1, 2 and 3 bedroom residences is located in Fairview, a neighbourhood that's abundant with urban conveniences.



From the sparkling city skyline, to the tranquil waters of English Bay, to the majestic North Shore mountains, a breathtaking view lies before you. Gaze in awe at the annual Celebration of Light fireworks display, witness the first snowfall on the mountaintops, and follow the sun as it makes its way to the watery horizon. You'll quickly form an appreciation for West Side living, all from the comfort of home.

Live just steps to shopping, restaurants, parks, Granville Island, and a Canada Line station. Anticipate the ease of a future SkyTrain line that will soon span Broadway to UBC. Find unity between what matters when you live at Duet.

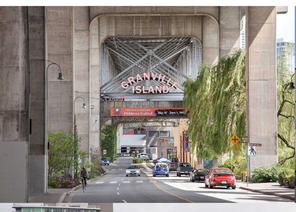
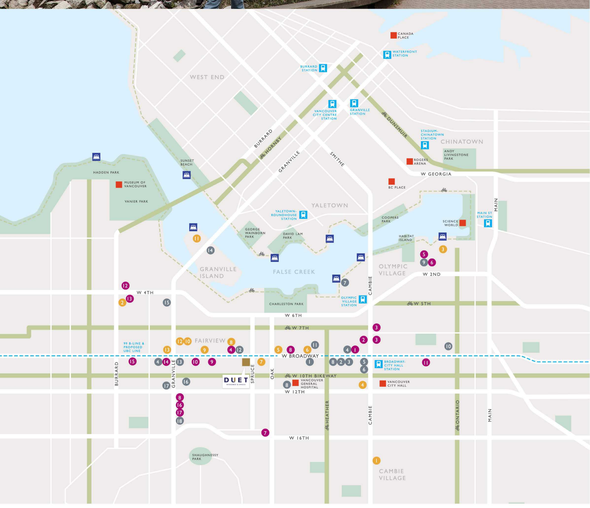
YOUR NEIGHBOURHOOD BEAT

Discover shopping, services, and dining options on Broadway, Cambie, and South Granville Street. Stroll to Granville Island for fresh fare or jog the scenic False Creek seawall. Take the Aquabus ferry to Downtown and Yaletown. Duet is surrounded by bike paths that will connect you to different points of the city. Enjoy an abundant lifestyle in a walkable community.





While the Broadway neighbourhood is already an appealing area to live, a proposed SkyTrain line from Cambie Street to UBC will further elevate the corridor's desirability. Currently, a Canada Line station, only a short walk from Duet, quickly transports you to downtown Vancouver, YVR Airport, and to points beyond.
