TEAM

Imani Development

Behind Shine stands a team dedicated to craftsmanship, sustainability and functional design. Inspired by the character and energy of the community, Imani has set a new precedent in South Main bringing over 20 years of experience in single and multi-family development projects such as most recently, Charm and Magnolia in the cultural hubs of Vancouver.

Shift Architecture

Shift Architecture is a leading edge firm with an award-winning portfolio that brings an energized and playful approach to design, offering precedent-setting solutions that are practical, sustainable and beautiful. Shift's style is artful, yet methodical. Sustainability has always been and will always be a hallmark of their core values. At Shift Architecture, they make going green more liveable.
