A Promise of Excellence

At Lakewood we've spent more than four decades building homes of unrivalled quality in the Lower Mainland. It's not just the homes we build - it's the communities.

We're committed to excellence in construction and to creating residences that combine style with superb materials and extensive durability.

This has earned us the trust and confidence of our buyers and the respect and admiration of our competitors.

At Lakewood, our signature says it all: quality workmanship and attention to detail - every step of the way.

About One92

About One92 Homes

Peace of Mind

Loyalty is the cornerstone of our work, and as a result, each home we build is backed by the Travelers Guarantee Company of Canada, the leading home warranty provider in BC. This comprehensive warranty provides:

- 1-2 years on labour and materials
- 5 years building envelope protection
- 10 years for major structural defects

Distinctive Design

Your home speaks volumes about who you are. Your demand for spaces that seamlessly blend elegant style with pragmatism, perfectly marrying form and function. Your quest for the best of both worlds: a home that's a peaceful refuge where you can replenish your energy, and one that's conveniently close to the vibrant hotspots around which your life revolves.

Chic Living

Personal expression is paramount at One92, homes where it's easy to add your signature style.

With carriage homes, condominiums and townhomes designed by an award winning architect, floor plans range from intimate square footages to large, breezy spaces. All boast elegant finishes like polished and chrome door handles, engineered quartz countertops and designer lighting fixtures, giving the homes a modern flourish and contemporary appeal.

Take a long shower in your master ensuite, with its stylish cabinets, designer faucets and pressure-balanced shower control. Enjoy a glass of wine on the deck or patio before you prepare a gourmet meal in a kitchen outfitted with sleek, stainless steel appliances, track lights and decorative drawer pulls. There's more than style, though, at One92. Peace of mind is integral at home, so we've added a coded security key fob access system to the well-lit, secured underground parking. That means your home is a haven of safety - today and tomorrow.

One92. Style. Comfort. Security.

Perfect Positioning

At One92, you have the Lower Mainland at your fingertips.

Highway 1 is minutes from home, with quick and easy access to Vancouver International Airport and the Canada-US border crossings. Plan a shopping trip south of the border with your friends or stay closer to home at Willowbrook Mall, just a few blocks from your front door.

With several parks in the neighbourhood you are never far from green space, while golf at Northview Golf Course or two other championship courses nearby is easily organized.

The beauty of One92 is proximity. A quick drive to the Real Canadian Superstore, Save-On Foods and Safeway means groceries are never far from home. And when you're in the mood for entertainment, try five-pin bowling at Willowbrook lanes, head to the Langley Events Centre or take in a movie at the Colossus Theatre.

One92. Access. Easily.
