## Overview

Set against a backdrop of mountains, blocks to the calming waters of Lynn Creek with easy access to the best the North Shore has to offer, you'll find Wedgewood – Polygon's latest collection of executive townhome residences in North Vancouver's Lynnmour Neighbourhood.

This limited collection of three and four bedroom townhomes reflect a West Coast mountain architecture with steeply pitched gable roof dormers and wide overhangs, contemporary interiors featuring open-plan layouts, luxurious ensuites, and gourmet kitchens with granite countertops, warm laminate flooring, and sleek stainless steel appliances. For added convenience, large private decks invite outdoor entertaining, and attached double-car garages welcome residents of every home.

Situated in the heart of North Vancouver's breathtaking outdoors, close at hand are an exciting array of hiking and mountain biking trails, the endless adventure opportunities of the local mountains, top-ranked golf courses, good schools and shopping, and convenient transit and commuter access to downtown Vancouver and beyond.
