GEORGE is connected

CONNECTED AS IN CLOSE TO AN ARRAY OF FANTASTIC AMENITIES - TENNIS, KAYAKING, SWIMMING, GOLF, WALKING, YOGA -

Whatever your interests, there are countless places to pursue them all. Play in the sands of sunny White Rock, or explore the shoreline trails of Crescent Beach. GEORGE puts you within minutes of beautiful parks and green spaces. Meet up with friends at Morgan Crossing for a shopping excursion or grab a bite to eat and take in the sunset at a quaint bistro along the beach promenade. If some cross-border shopping is in order, you're 3 minutes to both border crossings (and only 20 minutes to Trader Joes!). Every modern amenity is close by in this popular neighbourhood. Whatever you're in the mood for, GEORGE has got you covered.
