A LEGACY OF TRUST

Destiny² is a vision of partnership between Tseil-Waututh Nation and Aquilini Development.

For generations, the men, women and children of Tseil-Waututh Nation have lived and thrived in this area. They have a sacred trust and a commitment to care for the lands and waters. Through partnerships based on mutual trust and respect, they are active participants in all social, economic, and cultural activities that take place on their lands.

Also with deep local roots, Aquilini Development brings a commitment to creating livable environments that integrate and inspire communities, along with a proven track record of building quality homes. A subsidiary of Aquilini Group, owners of the Vancouver Canucks, the family-run company brings a diverse portfolio and a history of success.
