There is a place

where skyscrapers grow into trees

where rush hour rushes into silence

where noise turns into song.

Deerfield at Ravenwoods. Nestled between the waters of Burrard Inlet and the mountains of Grouse and Seymour, this is a nature lover's paradise. Here you can hike, bike, ski and birdwatch in the pristine wilderness just outside your backyard, as well as golf at Northlands Golf Course, Takaya Golf Centre or Seymour Golf & Country Club only moments away. Yet living at the edge of civilization can prove very civilized, with just a few minutes drive to the charming village of Deep Cove and to the services, schools, colleges, community centres and Parkgate Shopping Mall of North Vancouver. And only 20 minutes by car, yet a world removed in spirit, is downtown Vancouver – an easy commute to work.

With ten core floor plans, Deerfield allows you to choose a spacious suite most suited to your lifestyle and budget. No matter what plan you prefer, no detail has been overlooked, beginning with the BC New Home Warranty – your guarantee of lasting quality. In addition to solid construction, the tasteful finishings will delight you: tiled floors in the entry foyer and kitchen, a gas fireplace with tiled hearth surround, elegant mini blinds and name-brand appliances that include a refrigerator, stove, dishwasher, garbage disposal and washer/dryer. Other basics include private storage facilities and a bike locker. As well, with secured underground parking and all suites wired for in-home security, you can lay any concerns about safety to rest.

Welcome to the Ravenwoods community. Here is a neighbourhood of curbing walkways and lush, intricate landscaping, integrally connected by graceful homes whose consistency and continuity respect the indigenous West Coast architecture and promote a natural lifestyle. Deerfield continues in this Ravenwoods tradition. Enter Deerfield and you will find yourself inspired by the soaring, two-story ceiling and flowing limestone tile of its lobby. Unwind by the fireplace in the cozy sitting area. Or head to the Common Area with its entertainment lounge, fireplace, kitchenette, and –if you’re feeling energetic– fitness studio, which comes complete with a universal gym, stair climber and stationary bike.
