LESS IS NEVER MORE

Less room to relax. To entertain. To share your life. At just 600 sq. ft., the average downtown tower residence can hardly be described as more home for your money.

MORE IS ALWAYS BETTER

BRIGHTON, on the eastern edge of False Creek, offers an element rarely found in the typical downtown tower residence. **SPACE**. And plenty of it. Room enough to live, entertain and even decorate with more than a one-piece set in mind. The views at BRIGHTON are XXL too. Along with the balconies, interior finishings and list of neighbourhood amenities. Discover BRIGHTON's 132 spacious and luxurious tower residences, as well as its 11 spectacular concrete townhomes today. It's living large at a price that's less.
