

COMPASS

A NEW MODEL FOR THE NORTH SHORE

COMPASS, THE SECOND TOWER AT THE PIONEERING, STATE-OF-THE-ART SEYLYNN VILLAGE, IS A STRIKING ADDITION TO THE LYNN CREEK SKYLINE. THE 28-STORY TOWER, COMPRISED OF LUXURY CONDOMINIUMS AND TOWNHOMES IS AN ASTONISHING STRUCTURE OF GLASS AND METAL, CONCRETE AND WOOD - ELEMENTS INTERTWINED TO PRODUCE AN ARCHITECTURAL MODEL OF SOPHISTICATION.

OVERVIEW

COMPASS OVERVIEW

Residences are expansive with views that capture an endless panorama from North Shore mountains to Burrard Inlet to downtown Vancouver. Daylight penetrating the oversize windows creates more openness throughout each home. Interiors are the epitome of class, designed to define the art of elegant living.
