INTRACORP

Building the Extraordinary

Builder/Developer

INTRACORP

Intracorp is a Canadian-owned company, well known for creating quality homes that offer lasting investment value – and a quality life. Every home we create is designed to fit smoothly into the neighborhood – and enrich that neighborhood’s profile at the same time. You’ll see it with MC2 and Spruce in Vancouver, Glenmore and Highland Park in South Surrey, Chancellor Place at UBC, MetroPlace and Silver in Burnaby, The Versatile Building and Orizon on Third in North Vancouver – and now, perhaps more than ever, at River Park Place in Richmond.

At River Park Place, Intracorp saw an opportunity to redefine what a Richmond riverfront home could be, celebrating natural light, a complete life, and the fast-emerging energy of this location.

With over 30 years of experience, Intracorp services these unique projects with a meaningful customer service program and extensive warranty coverage by Travelers Guarantee Company of Canada.

MYIE HOMES

Mo Yeting International Enterprise Ltd. (MYIE) is all about flexibility, innovation and above all, exceptionally positive results. The company creates custom-built, visionary developments that elevate the lives of users, and push the standards of excellence. MYIE specializes in both residential and commercial development for clients in Richmond, and understands the details of the Richmond market very intimately.

Since 2002, MYIE has developed over 11 million square feet of real estate projects in Canada, United States and Asia, with a close specialization in high-end residential, commercial and retail projects. MYIE has continued its mission to diversify through various businesses from China.

Innovation is the MYIE mantra. To be truly visionary, one must see community from a different point of view, and act upon it. That is precisely what MYIE has done in the creation of all of their projects. And that same expertise is at work on the lifestyle concept at River Park Place.

INSIGHT DESIGN GROUP

Insight Design Group is an award winning Vancouver based Interior Design firm with a focus on Residential, Commercial and Hospitality Projects. We are a dynamic group committed to an enthusiastic approach in all we do.

Since 1995, Insight has been involved with some of the most successful developments and projects in Vancouver and throughout Canada. At River Park Place, the firm saw an opportunity to create a new category of luxury lifestyle for today’s urban homeowner. To do this, they devised an aesthetic that celebrates the natural freshness of this location and an elevated urban sensibility. The entire team is thrilled with the result.

IBI GROUP

IBI/HB Architects

Architects

IBI GROUP

IBI Group is a multi-disciplinary group with a long-term global vision. The firm offers services in four core areas: Urban Land, Facilities, Transportation, and Intelligent Systems, for a truly holistic service offering. Established in 1974, IBI is today an international player, with 79 offices throughout Canada, the United States, Europe, Asia, Africa, and the Middle East. IBI employs more than 3,100 professionals internationally including architects, traffic and transportation engineers, land planners, LEED accredited professionals, public consultation/ approval specialists, exhibit and themed environment designers, interior designers, landscape architects, and project managers.

This comprehensive understanding allows for a complete, organic view of architectural design and community creation. This view has brought a special kind of sophistication to the design of River Park Place – a design that weaves the best aspects of this natural location with every element one could need for a complete life.

IBI Group practices architecture in British Columbia as IBI/HB Architects.

Feng Shui

SHERMAN TAI

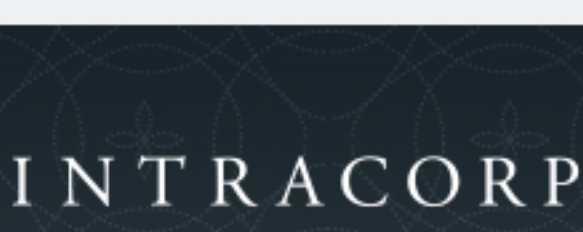

Sherman Tai’s reputation as a feng shui master is well established here in Vancouver, as well as in Hong Kong. Tai’s mathematical, precise approach to feng shui and divination has made his services very much in demand among banks, shopping malls, office buildings and real estate consortiums groups, who seek his advice to ensure that their business environments are in harmony. He writes weekly articles for the Chinese community newspapers, such as Ming Pao and Sing Tao, as well as writing periodic articles for newspapers and magazines in Hong Kong. Tai has published seven books, five in Chinese, and two in English, and all were well received in Asia. As a global authority on feng shui, Tai adds a true balance and harmony to the homes at River Park Place.
