Overview

Inspired by the famed Whistler resort, Summerlin rises from stone with striking timber accents. Cozy fireplaces add warmth to luxurious living spaces and sleek stainless steel appliances inspire kitchen creativity. Oversized windows invite year round sunshine, and large decks and patios open onto forests and city views. Summerlin is a dream born in sunshine that is light-filled all year round.

As a resident at Summerlin you get exclusive access to The Cascade Club. Enjoy the outdoor pool and spa, the fully equipped fitness studio and the spectacular terrace with outdoor fireplace. At the Club's heart is a two-storey natural rock fireplace in the Great Room and billiards lounge. A piano-equipped music room, craft centre and media room cater to everyone's interests.

What makes Summerlin perfect is its unmatched location. So close to everything important to you – from award-winning schools and Douglas College to the Lower Mainland's most popular shopping destinations. Coquitlam embraces the outdoors: with its parks and sporting fields and beautiful Westwood Plateau Golf & Country Club. Summerlin at Silver Springs: 30 minutes from Vancouver by car or the relaxing West Coast Express.
