## COAST LIVING

The apartment residences and townhomes at COAST take advantage of their elevated location as they look upon the West Coast Mountains and the Fraser River – expansive feature windows also maximize the natural light and the site's spectacular views. The homes feature the latest in contemporary west coast style and design, as these luxurious residences complement their lush surroundings. The homes at COAST offer detailed textural exteriors, stone accents, generous patios and decks, and private gated yards, which are perfect for outdoor entertaining and relaxing. The Residents of COAST will also enjoy exclusive access to COAST Club, a contemporary designed clubhouse.

## LUXURIOUS INTERIORS

Each spacious and luxurious apartment residence and townhome at COAST is carefully designed for your maximum comfort. High quality finishings include quartz countertops, designer tiles, thoughtfully designed cabinetry space, fresh backsplash, contemporary carpet and flooring, modern and stylish accents, and energy efficient stainless-steel Whirlpool appliances combine to make your living experience a pleasure.

## HOME

*Home interiors are designed for style and function with spacious open floor plans set off top to bottom by contemporary lighting and rich laminate flooring in the beautiful wall-to-wall residences. The bedrooms enjoy expansive windows for optimal natural light, while the main bath features soaker tubs with ceramic tile surrounds, quartz countertops and contemporary cabinetry, as the spa-like ensuite enjoys glass enclosed showers with oversized shower heads.*

## KITCHEN

The kitchen is the gathering place in most homes, and COAST's gourmet kitchens don't disappoint. The open-concept space is perfect for entertaining with its large counters topped by natural quartz countertops and thoughtfully designed dining spaces, and the cook will be delighted by the double stainless steel sink, contemporary backsplash, integrated pull-out spray faucet and designer stainless Whirlpool appliances.

## COMMUNITY

*COAST is the first apartment residences in the prestigious community of Fraser Heights, a happy addition to a well-established area with sought-after schools and amenities. The recent construction of the South Fraser Perimeter Road and the Golden Ears bridge has added the convenience of a simplified commute to other areas of the Lower Mainland, and the expanded Port Mann bridge helps to shorten time spent away from home.*
