THE WATERFRONT WILL BE ACCESSIBLE

The Pier is an historic undertaking which will be as profound for the North Shore as False Creek and Granville Island were for Vancouver. The Pier will open the waterfront and preserve our sense of community identity.

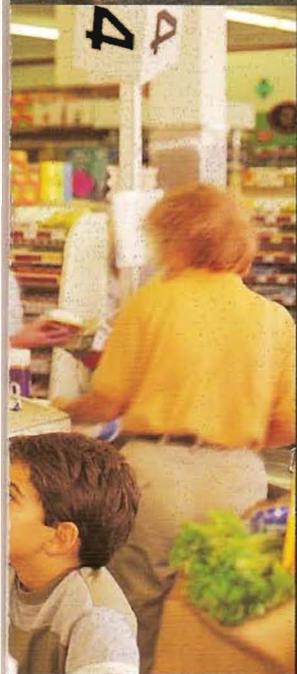

It will be the place to be...

...to work, shop, create art, dine, meet and gather, stroll the seawalk and the 700-foot pier. In particular, it will be the place to live a luxurious West Coast lifestyle to the fullest – with spectacular views and the premiere recreational facilities on the North Shore.
