ABOUT US

The 10 custom townhomes of Bayview Terrace have been designed so their owners never have to compromise, culminating into everything a modern home should be. Located just blocks from the heart of Ocean Park, Bayview Terrace enjoys the natural beauty and comfort of a small town with the amenities of a big city, just minutes away. This prime location also yields views of the Pacific Ocean and Mt. Baker.

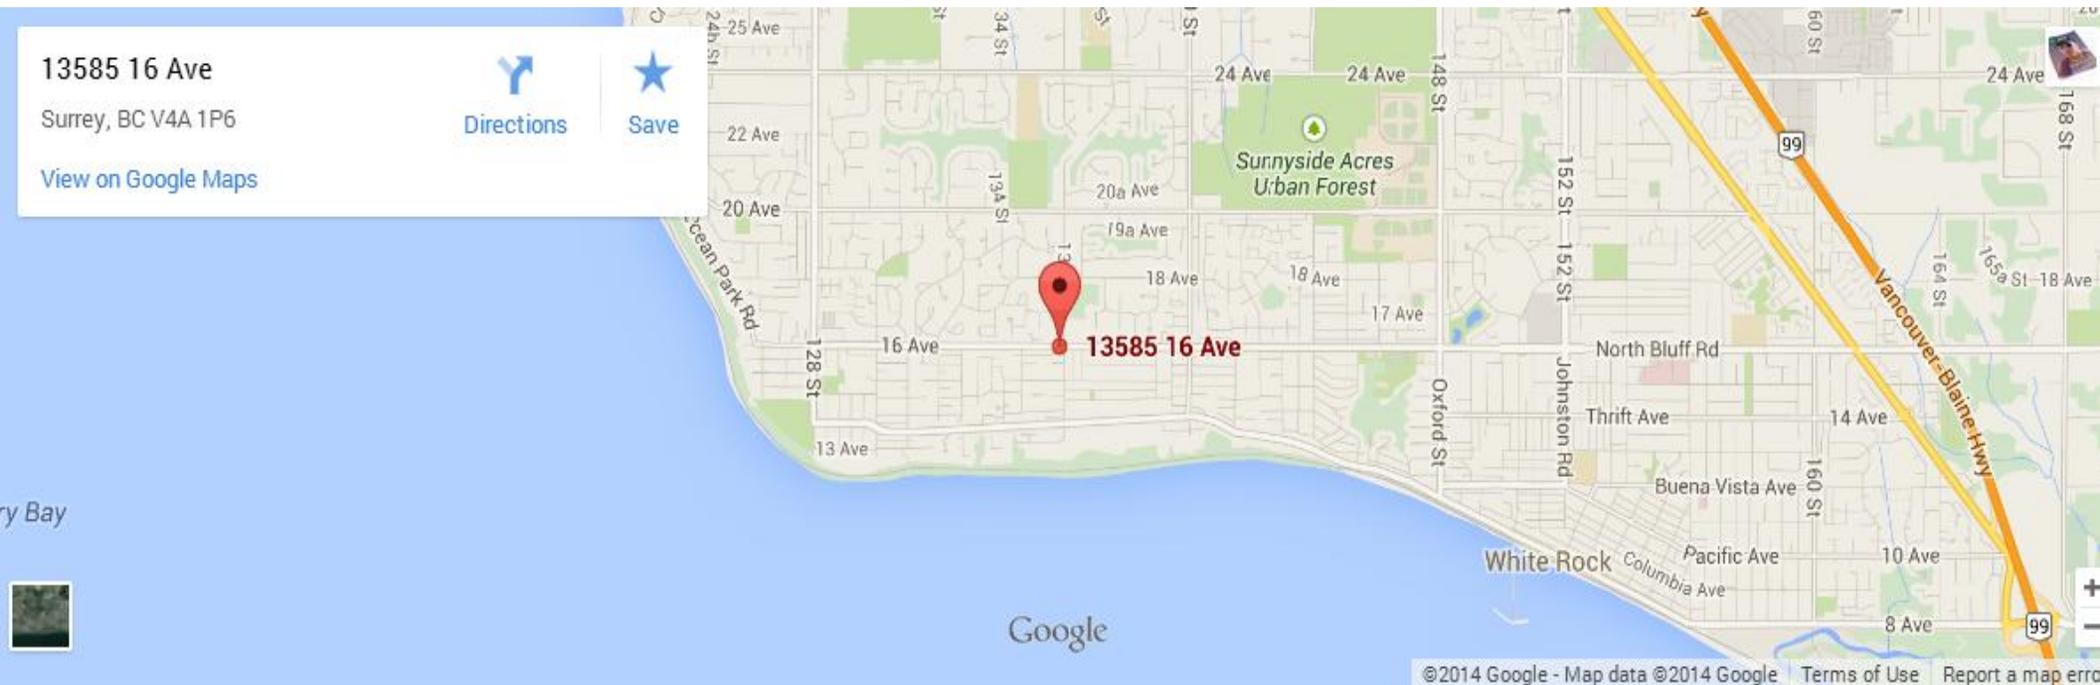

These beautiful homes are perfect for those who still like to entertain but don't want the maintenance, or those who would rather spend their weekend playing tennis than doing yard work. With 2,500 square feet of space, including three bedrooms, three full bathrooms, and vaulted ceilings, Bayview Terrace has the expansiveness of a single family home without the upkeep. Bayview Terrace also boasts the latest in household features including private elevators, modern finishings and appliances, as well as eco-friendly design.

Have you dreamt of spending your best years in an active, comfortable, and stylish community? With custom homes starting at \$699,000, you have never been closer to making this dream a reality. Simply call us at 604-635-2203 or write to info@bayviewterrace.com to set up a private visit and take the first step toward calling Bayview Terrace home.

LOCATION

Situated just west of White Rock, Bayview Terrace combines the tranquility of a small town with the amenities of a big city. Tall beautiful trees and gorgeous landscapes populate the area. Parks, beaches, and schools are peppered all over this peaceful community. There will be no need to sacrifice convenience for beauty here, as Bayview Terrace is located close to residential transit routes, providing easy passage to all of the benefits of city living in mere minutes.

For more information on the Bayview Terrace property development please contact us directly at 604-635-2203.
