## PORTFOLIO HOMES

Our new series of semi-detached Portfolio homes offer convenient and easy one-level living options, as well as split level living with lots of outdoor living space.

Each features modern design with stunning vaulted ceilings, stained wood beams & posts and huge windows.

Other features in the Portfolio series of homes:

- Engineered hardwood in the living room, kitchen and dining room
- Heated underfloor tile in the ensuite
- Tiled showers and tiled tub surrounds
- Solid surface counters in the kitchen and ensuite
- Cabinetry with soft close drawers and doors
- Stainless Whirlpool kitchen appliances
- 36" Gas fireplace
- Gas BBQ hook-up on the patio
- Wood soffits on rear patio and front raised roof
- Metal/laminated glass garage door

Square Footages range from 1,473 to 1,775 sq ft.

All units offer 2 + Den. Single-level units feature 2 bathrooms and multi-level units offer 3 bathrooms.
