

**Single Family in Chilliwack**

The Cliffs is a private enclave of only 50 beautiful strata homes in a stunning setting just 8 minutes from major shopping areas in the growing city of Chilliwack. A private boulevard access through agricultural lands is the road into your new community. All homes will be built to the highest standards of quality, energy efficiency and beauty. These homes are equipped with a new design tankless hot water heating system, soft closing maple cabinets with quartz counters, beautiful ensuite baths and quality flooring. Full finished walkout view basements, 2 Designer color choices from Pair Design. Overall a quality project from K-Squared Construction Ltd.
