

- LIFE IS BETTER AT THE LAKE -

AND THAT MEANS IT'S TIME TO GET TOGETHER ONSITE.

We have had a lot of people RSVP to the event this weekend and again we just wanted to send you a reminder that you are invited to visit the Lakeside Cultus Lake site with us on **Sunday, September 4th, 2016 from 2pm to 6pm** to review site plans and other details about these homes.

At this event we will showcase and tour:

- the real estate development site
- a pontoon boat will take you on the lake to explore the area
- two 2017 high performance wavesurfing boats from Extreme Boat Sports will be onsite for viewing
- food, drinks and music will be provided for entertainment
- samples of interior finishes will be available

Please park at the BC Provincial Park Grounds just past Lakeside. Then walk down to the dock and we will have a pontoon boat there to pick you up.
