AT MCKINLEY BEACH

Granite at McKinley Beach is the Okanagan's most exciting new town home and condo development. It is a 5.2-acre multi-family site that will consist of 18 townhomes and 100 apartment style condos, with breathtaking, panoramic views of Okanagan lake. The project will provide a stress free live/work/play environment that will bring together all lifestyles in a "one of a kind" community.

McKinley Beach boasts a kilometer of undisturbed Okanagan Lake waterfront within the Kelowna city limits. It will feature spectacular lake views, a marina, kilometers of trails and new homes for every lifestyle. Custom homes, town homes, condominiums and hotels – all located in a resort like setting ideal for recreation, retirement, or everyday living. If lakeside living, lake front condos, boating/water sports, or just outdoor adventure appeal to you, speak with us about Granite.
