The Eaglehurst Community has 9 Homes Remaining

Eaglehurst presents a rare opportunity to own a custom, brand-new, detached, energy efficient, **Built Green™ GOLD** home on the border of Sidney and North Saanich. Explore what Eaglehurst has to offer below or visit us at our [Show Home](#)

Custom Designs

Our build-to-order options at Eaglehurst allows you to collaborate with our design team and create the perfect space to meet your needs. With Citta Group Construction and interior designer Sandy Nygaard we have developed a build program including a variety of pre-designed floor plans with flexible layouts.

LOT AVAILABILITY

No Need for Upgrades

There are no surprises here at Eaglehurst when premium finishes are our standard such as custom made cabinets, quartz countertops and engineered hardwood flooring. Every home is also professionally landscaped with 6' privacy fencing, in-ground irrigation, and thoughtfully placed trees and shrubs. This is just the beginning of what comes standard with our homes, inside and out!

The Eaglehurst Community

With over 70 families living at Eaglehurst, North Saanich's newest, fast-growing neighbourhood has developed a strong community spirit! Woven throughout and next to the neighbourhood are a community garden, public green spaces with walking trail, and streets lined with double sidewalks and landscaped boulevards.

"I am also very pleased that the community has such a diverse age group and I am particularly happy to have young children as neighbours. Everything about this development is first class."

Saanich Peninsula Living

At Eaglehurst you will find yourself connected to all the amenities of the Saanich Peninsula. There is convenient access to trails, parks, golf courses, shops, community centres and schools, the town of Sidney and, of course, the beautiful Saanich shoreline - all just minutes away. Explore the surrounding community using the map below.
