Overview

Built on the site of the historic Murrayville Schoolhouse, this exclusive neighbourhood honours the past in the future of the community.

The original schoolhouse will be carefully restored and converted into 6 rare condo style homes. These homes will represent a piece of Murrayville's history and retain much of the original building's character.

The interior design approach retains a clean aesthetic while giving you that distinct farmhouse feel. Black accents provide contrast and just the right amount of personality. A sharp sophistication that doesn't compromise on warmth.

Reunion boasts a convenient parkside location - walk to recreation, cafes, schools and shopping.

Built by Lanstone Homes, a second generation BC born home builder with over 25 years experience that prides itself on personalized care.
