

WELCOME TO COPPER BEECH!

Copper Beech is a new condo development located at the corner of Ethel and Saucier. Mid to High end finishing options available with walking distance to the downtown core. Copper Beech has its name from the historical Copper Beech tree which will be protected on the property.

HISTORY

Protecting history by maintaining the Copper Beech tree on the property and moving the historical home on the property rather than demolishing it are important to our developer who wishes to build a community within the Okanagan.

LOCATION

Walking distance to the downtown core and Capri Mall and close to major bus routes.

UPGRADES

Recently upgraded Ethel Street will allow for ease of use biking and walking pathways for exercise and green commute to the down town core.

COMMUNITY

Building with the community in mind, we are partnering with local businesses to provide intensives for residents to shop local.
