Welcome to Union Park – Polygon’s first collection of 1, 2 & limited 3 bedroom low-rise apartment residences in Langley’s Willoughby community. Inspired by iconic East Coast architecture, this sophisticated community features rich red brickwork and black iron-inspired detailing. Inside, homes showcase contemporary interior finishings in thoughtfully-designed open plan layouts.

This six-storey community stands out amongst others in Langley with its central courtyard, featuring:

- A residents-only 10,000 square foot clubhouse equipped with fitness amenities, a screening room, outdoor swimming pool, hot tub, BBQ terrace and much more
- 71,000 square feet of private lush greenspace with well-lit meandering pathways
- A convenient outdoor playground for children and their friends
