PHASE ONE LAUNCHING SOON

## 3 & 4 Bedroom Townhomes Immersed In Nature.

Step out of your front door and into endless acres of lush greenery. Breathe in the crisp clean air, filtered by giant old growth trees. Then stop by your favourite stores for some retail therapy, followed by a new movie and a delicious meal to end the evening. Sound too good to be true? Nestled at the corner of 162A St and 96 Ave, Vesterra Properties introduces Westwood, a community of 60 3 & 4 bedroom townhomes immersed in nature. Backing onto Tynehead Regional Park, Westwood provides city living with a rural backdrop.
