February 05, 2021

The third and latest phase at Lumina, Alpha, is coming soon to Burnaby's Brentwood Village. The THIND Properties condo and townhome community features 160 units with one- to three-bedroom layouts, ranging in size from 514 square feet to 1,899 square feet.

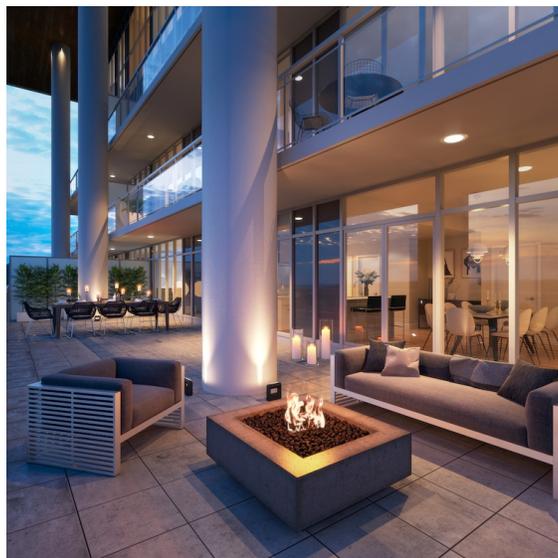

As part of a blossoming new community, Alpha is the third of four uniquely designed towers by award-winning firm, Chris Dikeakos Architects Inc. The development is centrally located and provides breathtaking views, spanning from the snow-peaked North Shore Mountains to the beautiful lights of Metrotown and downtown Vancouver. Residents can also enjoy exclusive indoor and outdoor amenities, such as a concierge and private driveways.

Offering elevated living, the refined spaces are perfectly balanced with warm natural palettes and finishes. Built with high-end flooring, homes feature a marble threshold in the entryway that leads to top-of-the-line laminate wood flooring throughout. The interiors are open and inviting, with nine-foot ceilings and expansive floor-to-ceiling windows that showcase stunning views and allow for natural light.

Perfect for entertaining guests, the top-quality kitchens come complete with contemporary finishes and features to create a functional space. A modern island with waterfall edges houses European-inspired laminate cabinetry with Intivo soft-close drawers. Kitchens also boast a full-size Miele appliance package and a stainless steel undermount sink. Residents can unwind in the elegant bathrooms, complete with floating mirrors, quartz countertops and stylish matte tile flooring throughout. In addition to the neighbourhood's surrounding amenities, Alpha offers private amenities for residents to access. Year-round, homeowners can enjoy the dining and lounge areas, equipped with fire pits for outdoor entertainment. Residents can exercise in the on-site fitness facility and children can enjoy the outdoors in an exclusive outdoor play area.

Located in the emerging community of Brentwood, homeowners will have access to a growing list of dining venues, shopping centres and services. Around the corner, residents can visit trendy shops, grab coffee from a variety of cafes or walk along trails to enjoy the beautiful scenery. For travelling around the city and beyond, Alpha provides easy access to the Brentwood Town Centre SkyTrain station, Trans-Canada and Lougheed Highway.
