BLOOM

INTRODUCING

BLOOM

1, 2, & 3 Bedroom Steel Frame Townhomes
& Garden Flats Coming to Cambie Village.

Bloom is the second evolution of Belford's Wellside Collection.

From expansive rooftop patios, to the thriving communal courtyard, Bloom's architectural commitment to wellness is ever-present. Overhead lightwells fill living spaces with ample natural light, state-of-the-art air filtration systems and cold-formed steel construction ensure air quality goes uncompromised, and a universal water filtration system provides filtered drinking water from every faucet in the home.

Bloom is where wellness flourishes on the corner of
Yukon and 23rd.

THE NEIGHBOURHOOD

Where Nature and Urban Convenience
Exist in Perfect Symmetry

Bloom's 32 remarkable residences strike a perfect balance between luxurious privacy and unexpected connectivity. Nestled on a quiet tree-lined street in Vancouver's Westside,

Bloom is uniquely situated near the heart of the neighbourhood's well-known parks and greenspaces, just a short walk from the urban shops, restaurants, and Skytrain stations of Cambie Village. In this highly coveted location, the soothing effects of nature and the vibrant pulse of the city lie just beyond your door. This is balance at its finest.
