

## Elegant Kitchens

Counter seating, integrated high-end appliances and under-mount stainless steel sinks make for enjoyable dinner making. Premium finishes like quartz stone countertops will embrace you in luxury.

## Exquisite Millwork

Each home features engineered oak hardwood floors, radiant in-floor heating and high quality soft close custom kitchen cabinets – everything you need to be comfortable in your home.

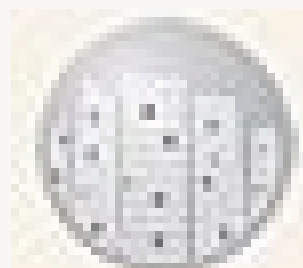

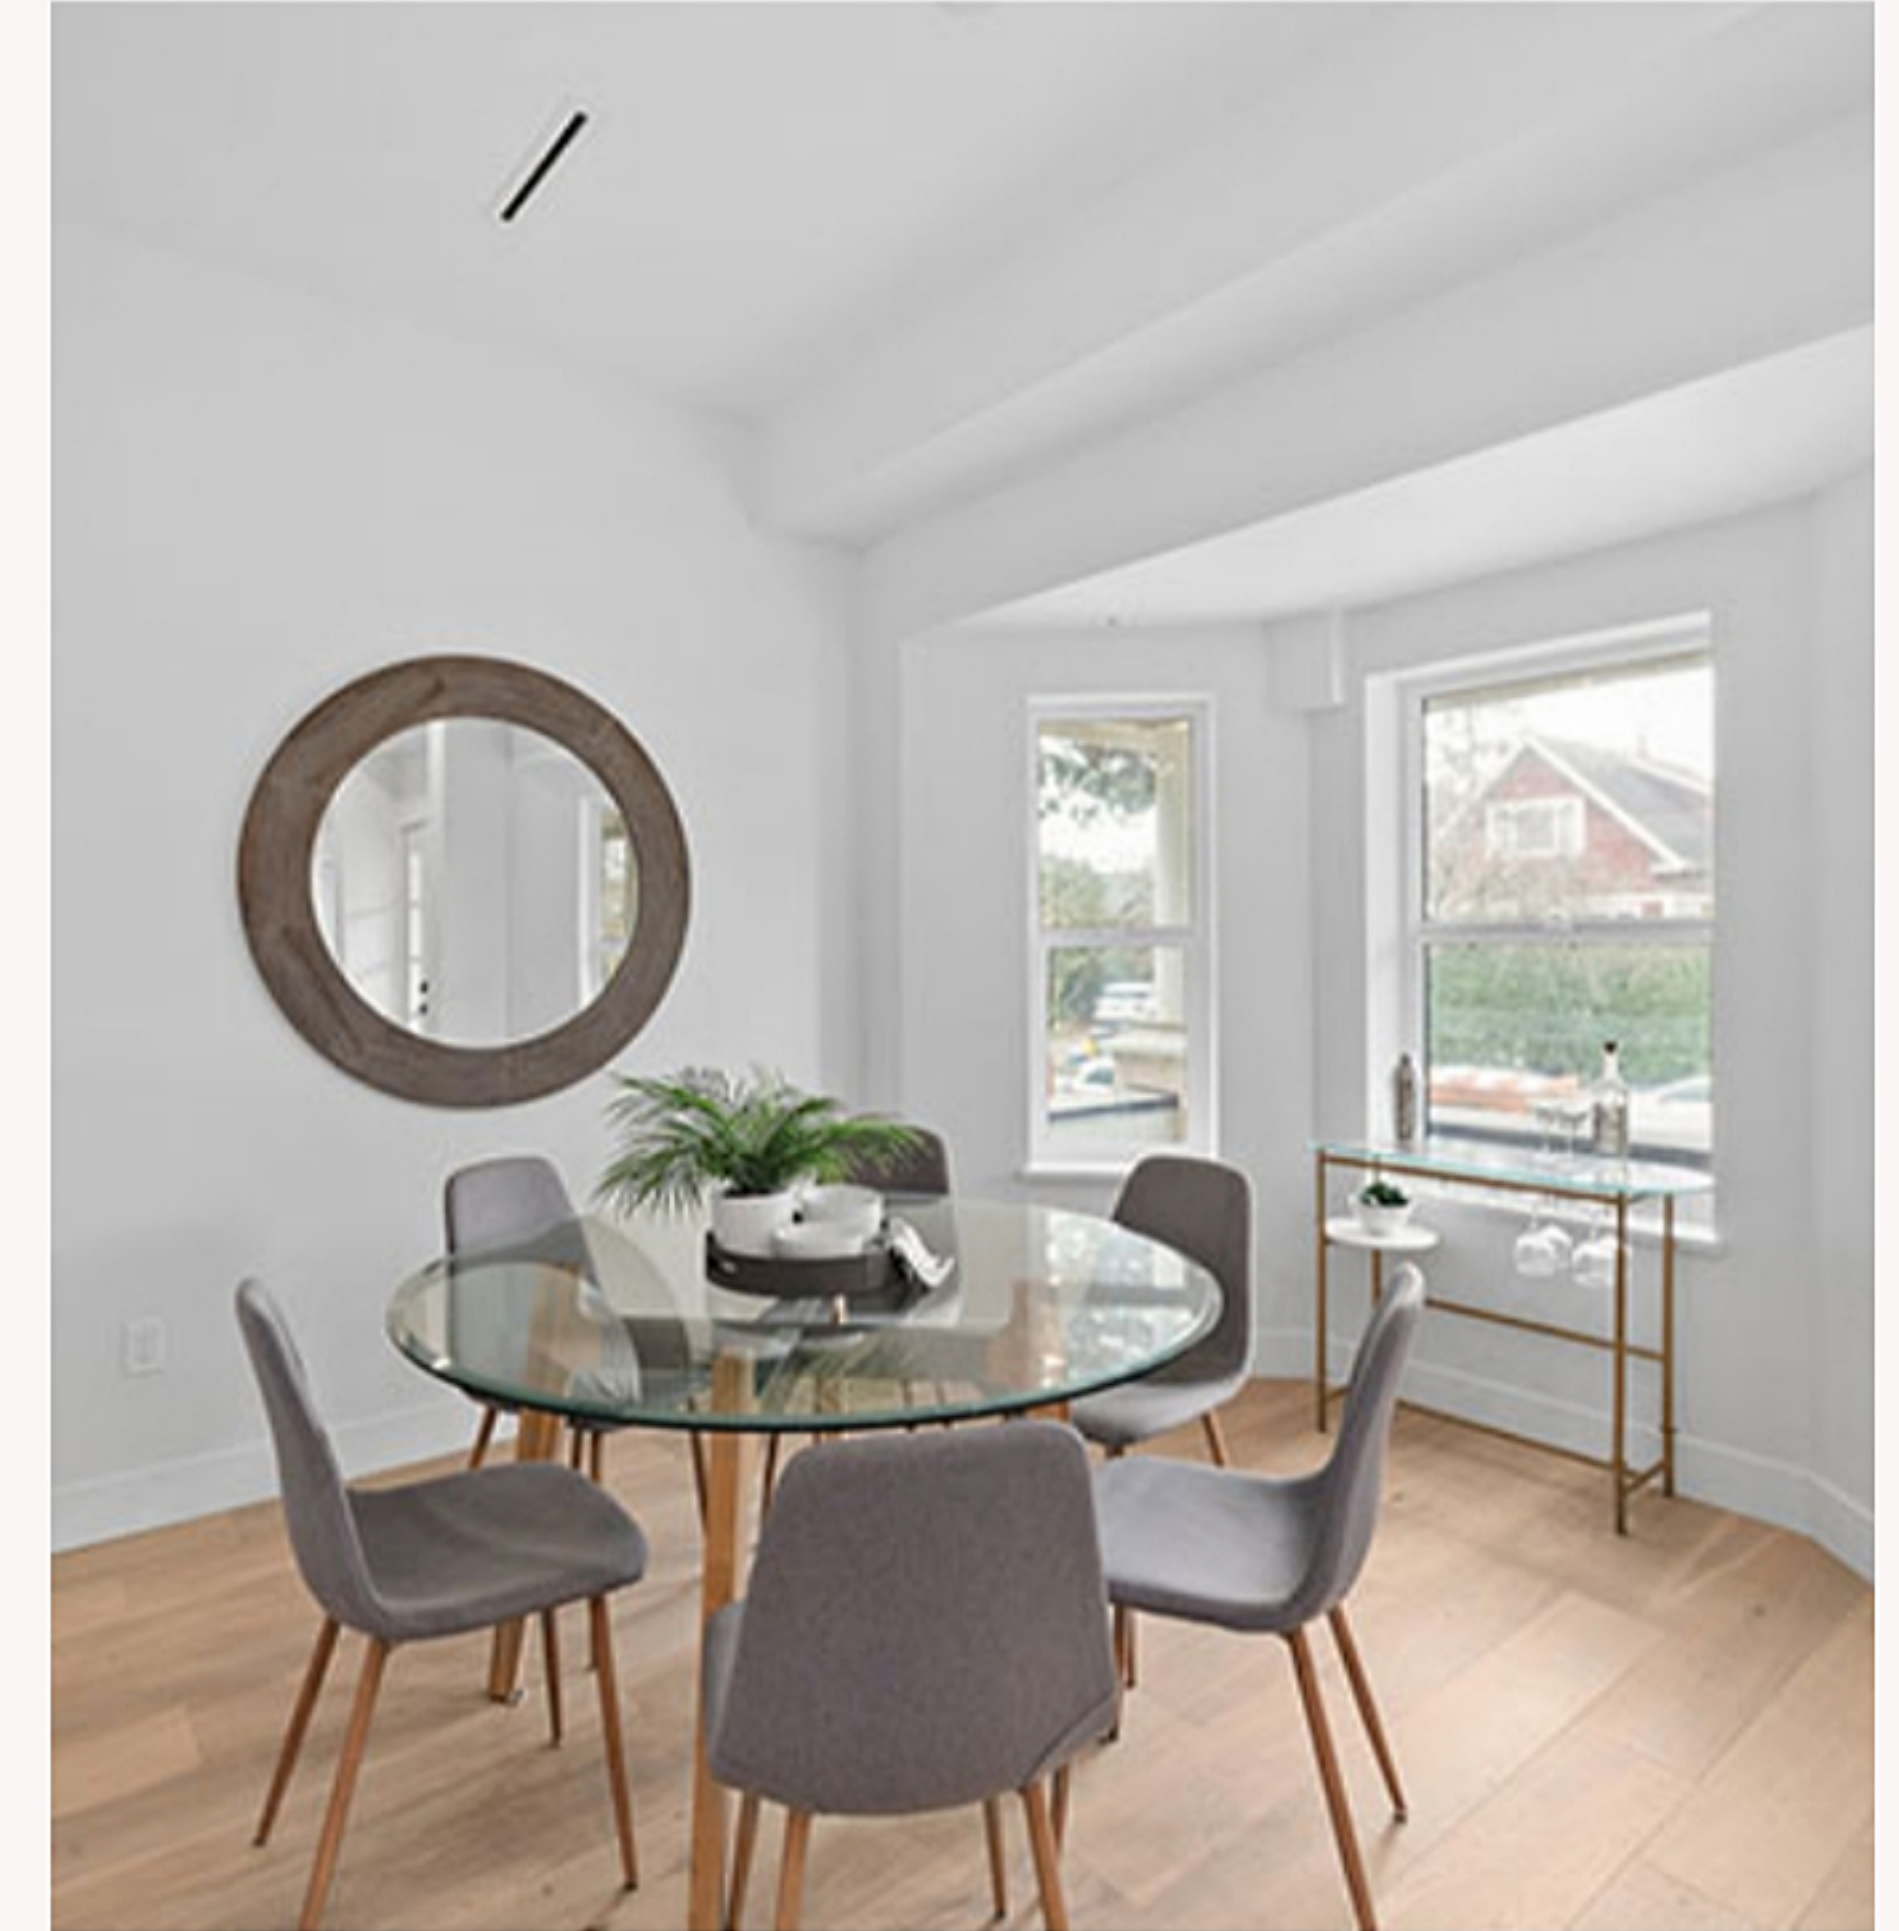

## Abundant Natural Light

Large windows and over-height ceilings make these homes spacious and bright. With up to 1,800 square feet of livable space, the homes at Q29 feel expansive and roomy for the whole family to enjoy.

## Peace of Mind

You can rest easy knowing your family is safe with the built-in security system. Enjoy peace of mind with the 2-5-10 New Home Warranty, available for all homes at Q29.
