

TOWN & CENTRE

COMING SOON TO COQUITLAM TOWN CENTRE

First Opportunity in Six Years

Be in at the start. New homes, hotels, shops, services, offices, entertainment, a convention centre and eateries all coming right here. Town & Centre is the first opportunity to participate and buy a pre-sale in Coquitlam Town Centre in six years.

Transforming City Centre

Coquitlam Town Centre already has the Evergreen Line, the West Coast Express, Douglas College and the Tri-Cities' largest mall. A great place today that tomorrow will be valued as the region's most complete and livable town centre.

The Distinct Difference

We have reimagined how a one-bedroom home can live. We also have the most affordable two-bedroom, two-bath home available today. Homes designed so every inch counts, with striking, elegant interiors that you will not see anywhere else.

Coquitlam Town Centre

Coquitlam Town Centre is the center of the Tri-Cities. Everything is here. Well connected to everywhere via the Evergreen Line and West Coast Express. The largest mall in the Tri-Cities is across the street. Great local schools, businesses, and Douglas College are all close by. Link up with the Traboulay Trail and Coquitlam Crunch tracks in no time. Lots of nature here too. Welcome to Town & Centre.
