COMING FALL 2023

29 functional family townhomes are just around the corner. Exceptionally crafted & built by Listraor, these 3-bedroom townhomes sit unstacked, boasting peaceful, private living.

Fronting Oak Meadows Park, York is subtly tucked away in nature, yet surrounded by the urbanity of Oakridge and South Cambie.

A MODERN CLASSIC

New York-inspired, Vancouver established

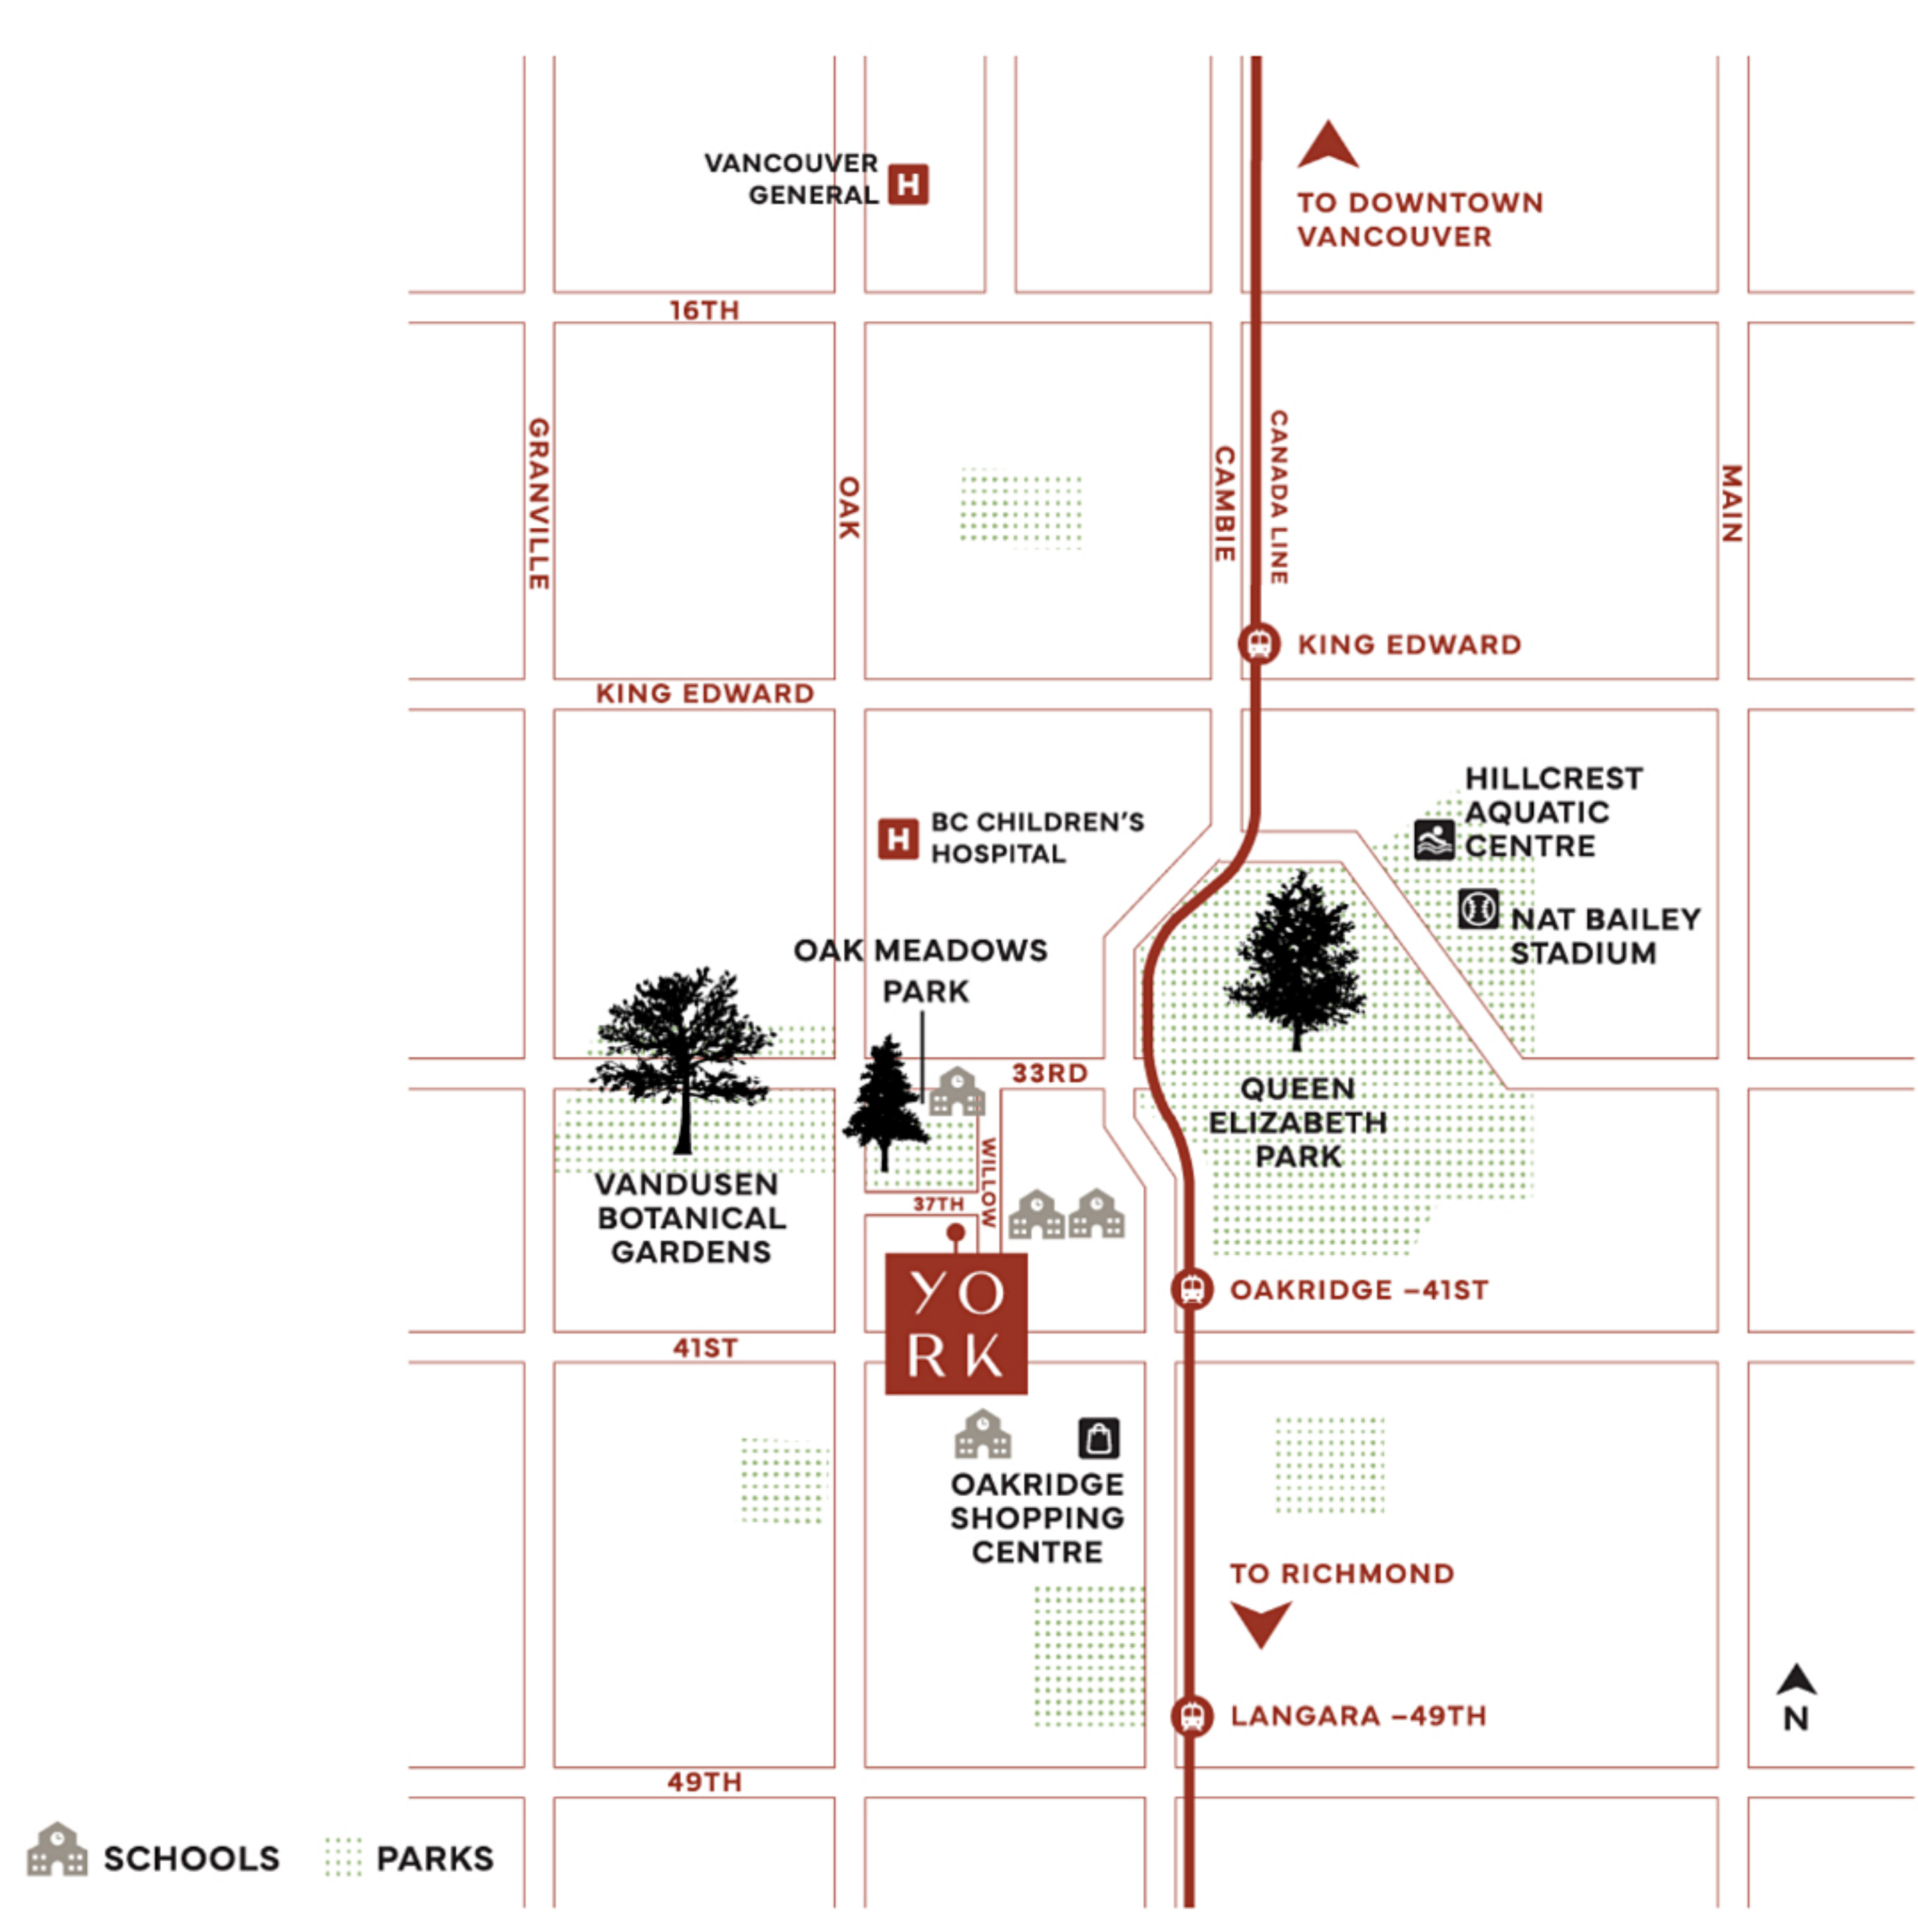

Steps from quaint park paths and minutes from bustling South Cambie streets, these family homes merge nature and city in one. York's unique architecture and purposeful floorplans create form and function, while private rooftop decks and a central community courtyard offer dedicated outdoor spaces parallel to the park, separated only by a tree-lined street.

Made for Families, Inside and Out

From ground-level direct entry to private rooftop decks with mountain views, York offers functionality from top to bottom. Designed with modern families in mind, each home offers 3 bedrooms, spacious kitchens, and ample storage spaces.

Immersed in the City, Centred on the Park
