

IMPECCABLE DESIGN

- Carefully thought-out plans to maximize space and comfort.
- Spacious balconies that are extensions of active livable spaces.
- Designed by acclaimed Cristina Oberti Interior Design.
- Thoughtfully selected materials and textures to match your style.
- High-quality floors, cabinets, millwork, countertops, fixtures, and more.

CUSTOM MILLWORK

- Elegant wood finished entries in all homes.
- Doors to match SkyLiving's elegance design.
- Spacious bathroom and kitchen cabinets.
- Accent lighting in bathrooms and kitchens.
- Closet organizers with matching millwork & custom lighting in bedrooms.

- EXQUISITE FIXTURES
- Only the very best fixtures in the bathrooms and kitchens.
- Aesthetically pleasing sinks, basins, toilets, showers, and other fixtures.
- High-quality and durable kitchen and bathroom surfaces designed for easy cleaning.
- Non-slip ceramic tiles for easy-to-clean and safe bathrooms.

IMMACULATE FINISHING

- Finishing that pays attention to the minutest of details.
- Every home is checked by Quality Control multiple times before being shown to the buyer.
- Industry-unique level 5 finishing on walls to ensure longevity.
- Floor-to-ceiling windows to allow access to stunning views and natural light.
- The SkyLiving Building Envelope Design provides great heat retention.

HIGH END APPLIANCES
