At Wesgroup, we are pleased to present one of our most distinguished collection of homes to you this fall. W16 by Olson Kundig – 53 masterfully crafted one to three-bedroom homes in the heart of Cambie Village, on the prominent corner of Cambie and W16th. Unveiling this fall.

A rare collaboration within the world of design.

Olson Kundig

Blurring the lines between art and architecture, Olson Kundig is a globally recognized architecture firm that offers an experience where building performance and inspiring design are intrinsically connected. Led by visionary founder Tom Kundig, they are recipients of the world’s highest design honours for ideas that have influenced the way we live, work, and travel.

Whistler House by Olson Kundig

Line Light by Matthew McCormick

Matthew McCormick

A multi-disciplinary design house known for their distinctive lighting collection in addition to their bespoke installations under the Studio’s briefcase banner – a concept created to continuously explore new creative territory through innovation and discovery, unbound by typical design convention.

Stosa Cucine

A beautiful story of one man and his family, and how a dream became reality, guided by passion and skill transmitted from one generation to the next. With over 55 years of creating rich Italian kitchens, Stosa Cucine is internationally recognized and appreciated for its innovation and style.

Aliant Kitchen by Stosa Cucine

Unveiling this fall.
