

At home in Norquay Village

Meet Earl. A community of one- to three-bedroom East Van condos and townhomes.

If you know, you know.

Norquay Village... locals already know and love this East Van neighbourhood for its leafy residential streets, rich sense of community, and hidden culinary gems. Norquay Village provides the perks of a residential community without the maintenance, drive times, or routine of a suburb.

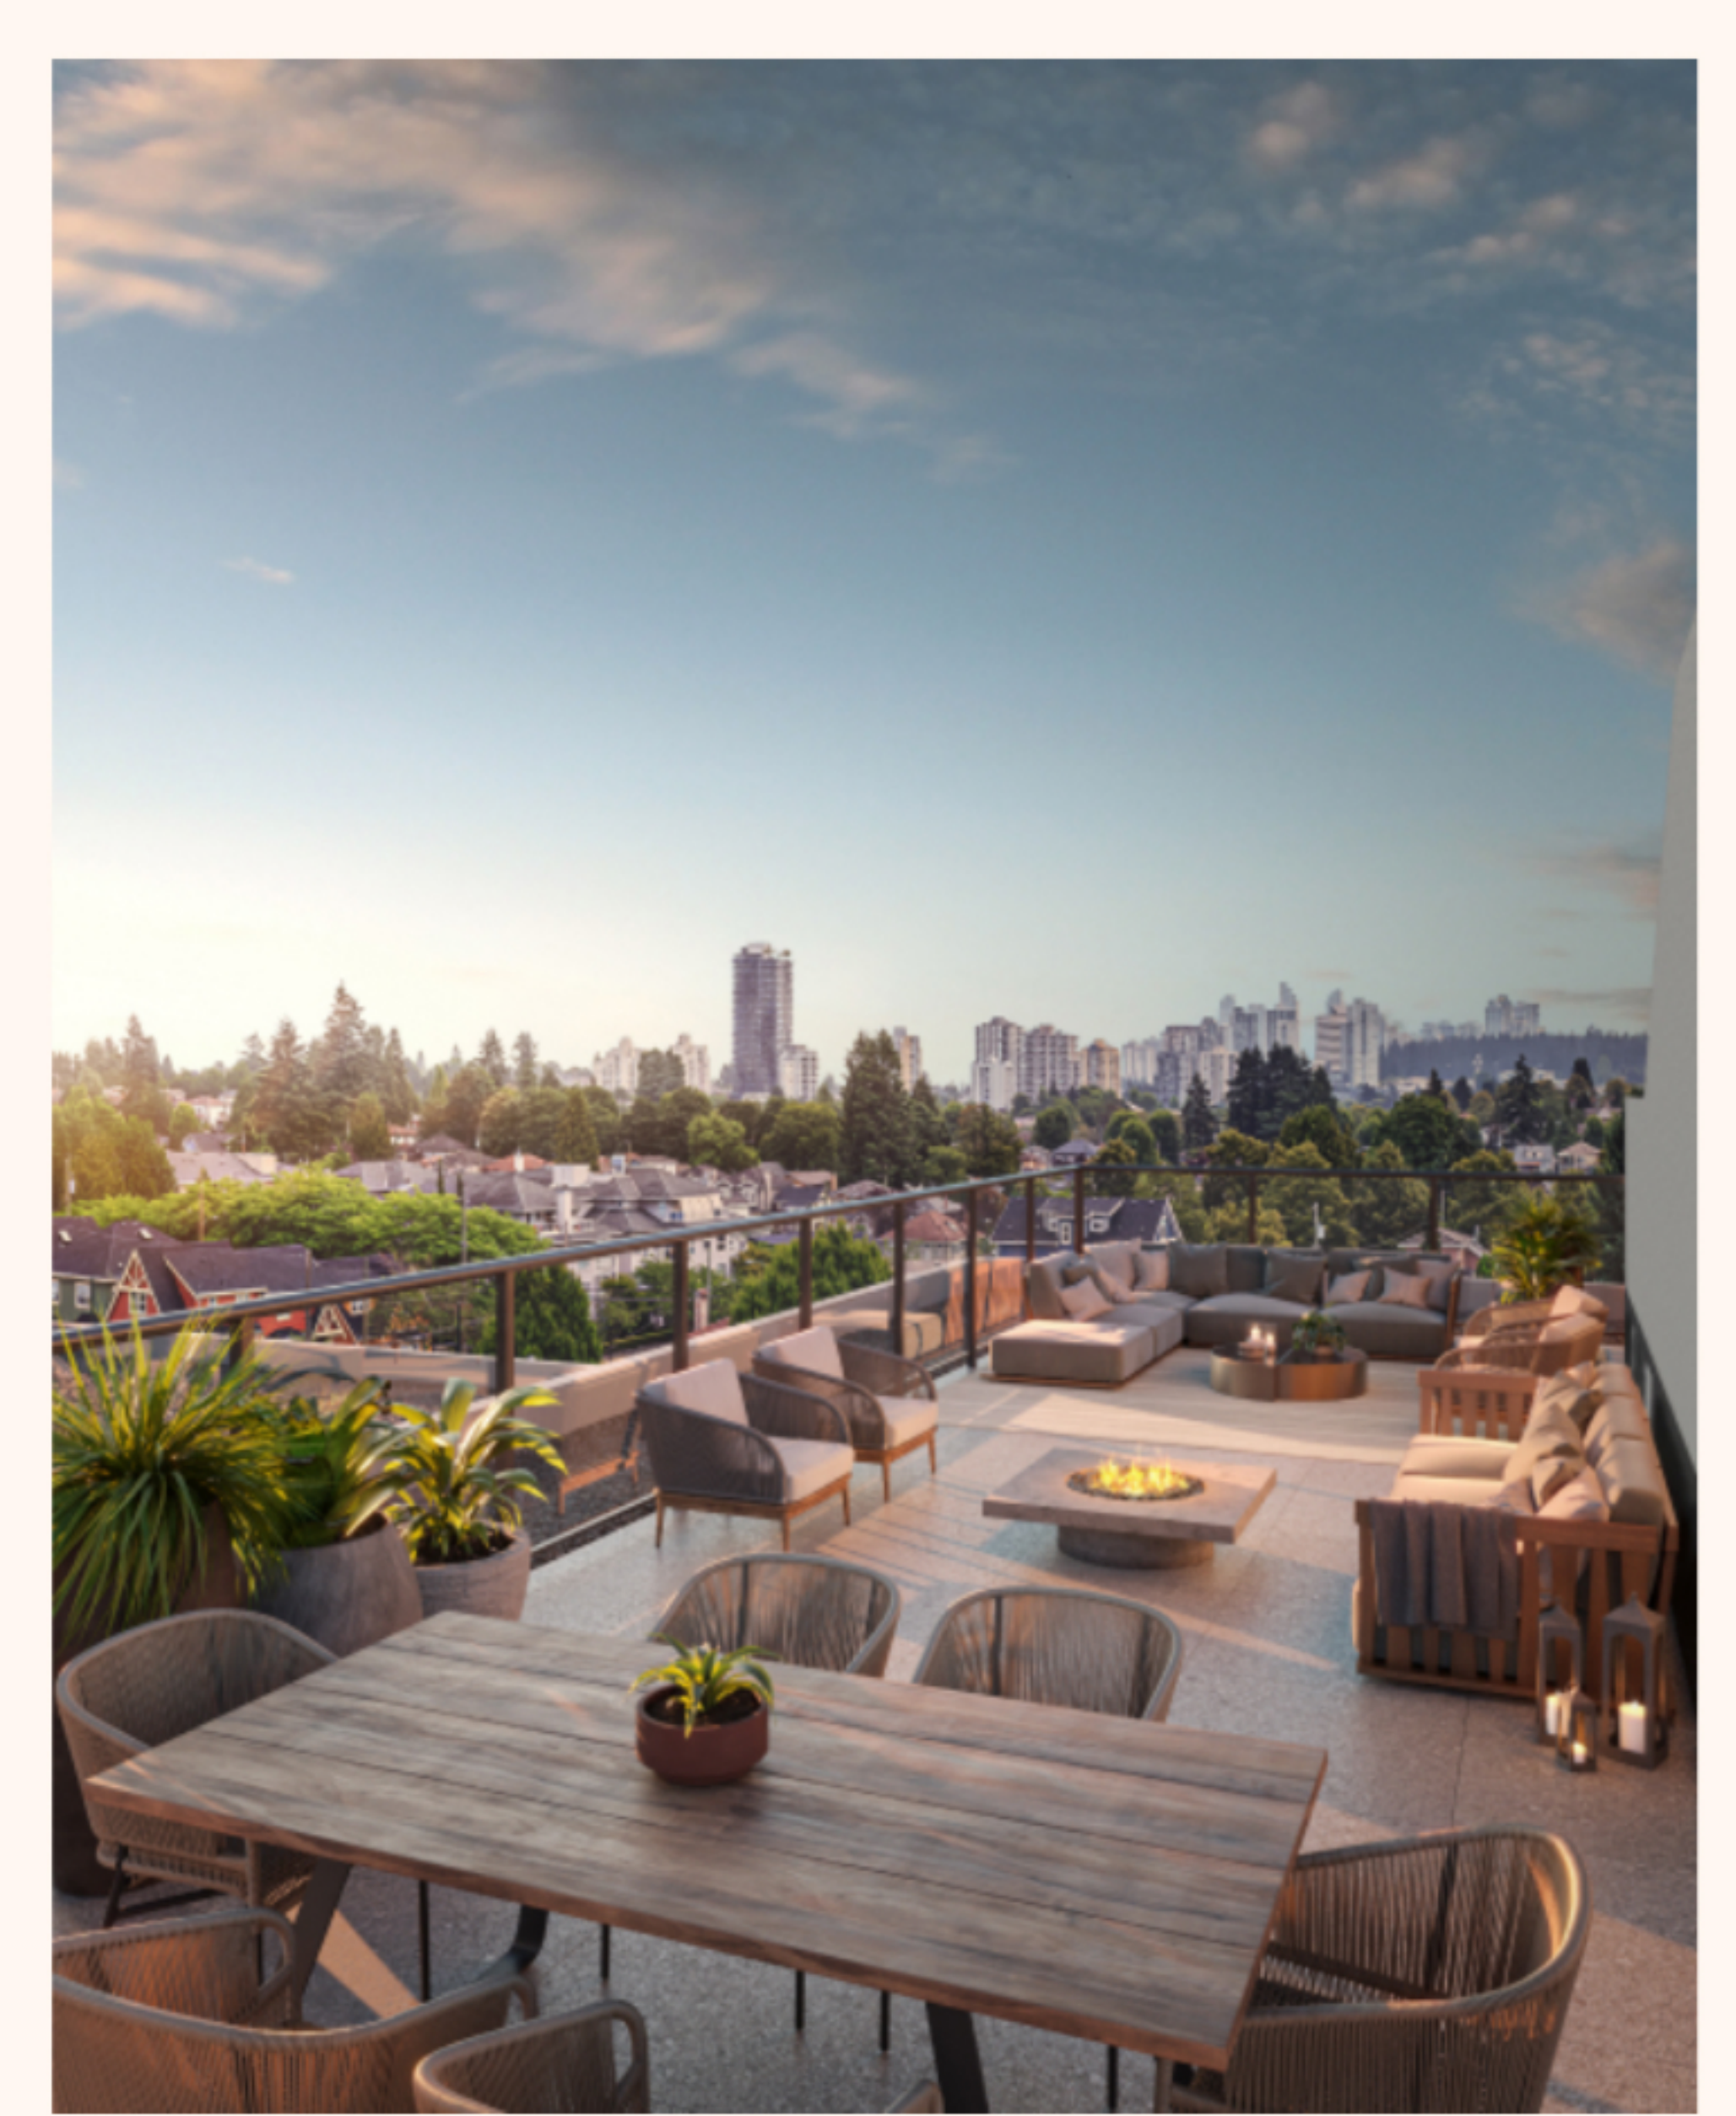

A central and well-connected neighbourhood, minutes away from the happening street of Commercial Drive and the convenience of Metrotown, Norquay is Vancouver's next "urban village".
