4-BEDROOM VIEW TOWNHOMES WITH ROOFTOP PATIO

Everything in life is defined by our point of view.

In the spectacular hills of East Abbotsford, a new community is growing surrounded by lofty treetops and breathtaking views of Mount Baker, Gulf Islands and Sumas Valley. Spacious home layouts with purposeful design feature Bosch appliances, 9-foot plus ceilings and hardwood flooring and options for: Smart Home automation, an alternative appliance package and oversized rooftop patios with hot tub and integrated BBQ. Mann Group combines their passion for West Coast Contemporary architecture with elements inspired by the spectacular natural setting. Live the life you want in the setting others will admire. Come experience life from this point of view.

RURAL BEAUTY URBAN CONVENIENCE

With its backdrop of old-growth forests and cascading mountains twisting round its foothills, Mountain View is easily one of BC's most stunning natural landscapes. Home to many of the finest outdoor sites, you will enjoy multi-use trails, stunning parks, and peaceful green spaces. Countless opportunities for biking, hiking, and kayaking are combined with the urban convenience of all the amenities of city life. Within easy reach are multiple schools, boutique and familiar retail shopping, banking, and fine dining.
